

You Have A Power On Me

SoKo

Every little sign of you Every little sign of you Every little
sign of you Make me feel so happy Make me feel so happy Make me
feel so happy

Every little word from you Every little word from you Every lit
tle word from you Suddenly it moves me Suddenly it moves me Sud
denly it moves me

And i pass my days and my nights Saying your name And i pass my
days and my nights Dreaming of you

Every little smile you make Every little smile you make Make me
smile for days

Every little face you take Every little face you take Make me l
ose my way

You have the power over me That nobody else can mean Like a bun
ny out of a magic hat Your magical when you do

Every little thing you do Every little thing you do Makes me wa
nna do you

Every little smile you make Every little smile you make Makes m
e smile for days

Every little sign of you Every little smile of you Makes me so
happy

And every little word you say Every little word you say Suddenl
y moves me

You have a power over me You have a power over me You have a po
wer over me
