

## Locked in Closets

Solange

When I was just a girl I felt just so alone  
Locked myself in closets thinking, "If I was the only one"  
Dim light shining on my room  
Locked up in this old cocoon

Look at me, I'm just a girl Still feeling so alone  
Looking at myself thinking, "Best to come and easy go"  
Street light shining on my room  
Locked up in this old cocoon

And all I wanted was the dream of being in love with you  
All I wanted was the dream of being in love with you  
All I wanted was the dream of being in love with you  
All I wanted was the dream of being in love with you

When I was just a girl I wore a thousand lives  
Heading on a search for the thing that makes me feel alright  
Ten black moments in my room  
Diamonds shimmers from the moon

And now I'm just a girl living in the satellite  
Took what I needed from this town and getting down at night  
Street light shining in my room  
Getting out the suns up soon

And all I wanted was the dream of being in love with you (Oh baby)  
All I wanted was the dream of being in love with you  
All I wanted was the dream of being in love with you  
All I wanted was the dream of being in love with you
