

Can't Stop Lovin' You Now

Solomon Burke

No, no, no, no, no, no, no
Can't stop loving you now

Try so hard to do my best
In every way I can
But what hurts me the most
Is I know that you know
You know you got another man

No, no, no, no, no, no, no
I can't stop loving you now (even if I wanted to)
No, no, no, no, no, no, no
Can't stop loving you now (listen to me)

Work so hard, my back is sore but I,
Can't stop loving you now

Honey if I didn't love you
I wouldn't work no more
But I can't stop loving you now

Lalalalalala

No, no, no, no, no, no, no
Can't stop loving you now
I said no, no, no, no, no, no, no
Can't stop loving you now (listen to me)

Every night, and every day
I've got you on my mind (no, no, no, no, no, no)
No matter how I try,
To forget about you darlin'
You're the all of the time

You know some people do
And some people don't
Some people will
And some people won't

But I will never leave ya
I will never decieve ya
No no no no

That's why I said
No, no, no, no, no, no, no
Can't stop loving you now

Ohh, no matter how hard I try
Even if I cry, I can't stop loving you
Can't stop loving you
Can't stop loving you
No, no, no, no, no, no
