Get Out of My Life Woman

Solomon Burke

You don't hurt me, broke my heart
Played me for your fool
Now here's my chance get back at you
And I'm go on blow my cool

Get out of my life, woman
I don't love you no more
Get out of my life, woman
I don't love you no more
Get out of my life now, woman
Don't come on knocking at my door

Get out of my eyes, teardrops
I gotta see my way around
Get out of my eyes, teardrops
I see I gotta see my way around
Get out of my life now, heartaches
Nothing but a heartache's about to pound

Get out of my life, woman
I gotta climb to the top
Get out of my life, woman
I gotta climb to the top
Get out of my life, baby
I know nothing gonna get me to stop you

Here's what I want you to do
Come on and vote, baby
I'm outrun for President
Get out and vote now, baby
I'm outrun for President
Get one having tricky and every part
But I give out stamps to pay your rent

Get out of my life, woman
Say I've gotta move on
And keep on moving on
Get out of my life now, woman
I don't love you no more
Don't come on knocking at my door

Get out of my life, woman, I don't want you
Get out of my life, woman
Said I don't want you
This time it's all over
This time I'm gonna put you down
