

# It's Just a Matter of Time

Solomon Burke

Someday, someday  
You'll realize that you've been blind  
Yes darling, you're going to need me again  
It's just a matter of time

Go on, go on  
Until you reach the end of your line  
'Cause I know you'll pass my way again  
It's just a matter of time

After I gave you everything I had  
You laughed and called me a clown  
Remember in your search  
For fortune and fame  
What goes up must come down

After I gave you everything I had  
You laughed and you called me a clown  
But remember in your search  
For fortune and fame  
Whatever goes up must come down  
Down, down, down

I know, I know  
That someday you'll gonna wake up and find  
That my love was a true love  
It's just a matter of time
