

# Tonight My Heart She Is Crying

Solomon Burke

Love is a bird that spreads its wings  
And flies away  
Love is a bird that spreads its wings  
And flies away

Tonight my heart will be cryin'  
Tonight my heart will be sad  
Tonight the wind will be sighin'  
For the love that I once had

The moon is there in the sky above  
But not the way it was before  
My woman's eyes filled with shining love  
Cannot see me anymore

Love is a bird that spreads its wings  
And flies away  
Love is a bird that spreads its wings  
And flies away

My woman's heart is like a diamond stone  
So very beautiful but cold  
My woman's heart is like a diamond stone  
So very beautiful but cold

Tonight my heart will be cryin'  
There is no happiness for me  
Tonight my dreams will be dyin'  
Just like the ripples on the sea

Love is a bird that spreads its wings  
And flies away  
Love is a bird that spreads its wings  
And flies away

I made the future, I tried to plan  
And just when everything seemed right  
My woman left me for another man  
And now my heart will cry tonight

Love is a bird that spreads its wings  
And flies away  
Love is a bird that spreads its wings  
And flies away...
