

# You

SoMo

Hold on to my hand for life  
Save me from this lonely plight  
You want more than paradise  
Girl, I'm coming home tonight  
Girl, I'm coming home for you

Oh, whoa, won't you pick up my phone call?  
Won't you answer me? Don't lie  
Won't you say what you want from me?  
I wanna know all that  
What you want, yeah, I need that  
Say you want me to come back  
You know I'm coming home  
Girl, I'm coming home for you

You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you  
Girl, I'm coming home for you  
You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you

Hold on to my hand for life  
Don't leave me here with no reply  
Let me fill you up with light  
I just wanna multiply

Oh, whoa, won't you pick up my phone call?  
Won't you answer me? Don't lie  
Won't you say what you want from me?  
I wanna know all that  
What you want, yeah, I need that  
Say you want me to come back  
You know I'm coming home  
Girl, I'm coming home for you

You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you  
Girl, I'm coming home for you  
You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you  
Girl, I'm coming home for you

I want it  
I need it  
I want it  
I need it

Say you want it, say you need  
Say you want me baby  
Say you want what I got  
Say you need, you know you crave it  
Say you want it, say you need  
Say you want me baby

Say you want what I got  
Say you need, you know you crave it  
(Crave it)  
Crave it

You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you  
Girl, I'm coming home for you  
You, you, you, you, you  
You, you, you, you, you, you  
You, you, you, you, you  
Girl, I'm coming home for you

I want it, oh  
I need it, yeah  
I want it, oh  
I need it  
Girl, I'm coming home for you
