

Lady Liberty

Son Volt

Lady Liberty, are you here?
Lady Liberty, are you still here?
Can you see us now?
Can you see us now?

Lady Liberty's tears
May they wash away the prejudice
Lady Liberty sighs
At the words from the highest office
Lady Liberty's eyes

See profiteering and pettiness

Lady Liberty, are you here?
Lady Liberty, are you still here?
Can you see us now?
Can you see us now?
Lady Liberty, are you here?
Lady Liberty, are you still here?
Can you see us now?
Can you see us now?
