

I'm Not From Here

Sondre Lerche

I'm not from here please help me out
I didn't grow up around here
Is it my eyes that give me away?
Or is it just the tears?

I shouldn't be so lost
But I know not what these things cost
So please let me be to you ever near
Although I'm not from here

I'm not from here excuse me please
Pardon my ignorance dear
I just don't get the lingo you speak
To me it all sounds greek

I shouldn't be so lost
But I never learned what these things cost
So please let me be to you ever near
Although I'm not from here
