

Legends

Sondre Lerche

Pleade disregard my naked face
I just realized it takes two to lay
Can we dish it out in daylight
Can we stare ourselves down
Can we manouver honesty
when it comes swinging back around

Oh o-oh
Now we'll never know what legends we could be
Just me and you and you and me

Oh o-oh, now we'll never know
what legends we were ment to be

Oh-oh-oh-oh

Please disregard my endless hope
It just paved the way for the end of our road
I sometimes called you, bluff in secret,
You sometimes hassled with my nerves
Can you imagine anybody else so close to you, it hurts

Oh oh-o-oh
Now we'll never know what legends we could be
just me and you and you and me,

Oh oh-o-oh
Now we'll never know what legends we were ment to be

Ooh oh oh

Please disregard
As I have done
Our sivilized boats
Is not fooling them

Oh o-oh oh
Now we'll never know what legends we could be,
just me and you and you and me

Oh o-oh oh
Now we'll never know what legends we could be,
just dumb as you and dumb as me

Oh oh o-oh
Now we'll never know what legends we could be,
oh oh-o oh oh

Oh oh o-oh
Now we'll never know what legends we were ment to be

Oh oh o-oh

The legends we set out to be

Oh oh oh oh o-oh
