Songs: Ohia

i've left what's left of me on the shores of the Eerie  
on the shores of the Eerie  
and i've crawled ne'er so  
home sickwardly home  
so home sickwardly home  
it goes Hayfoot with strawfoot  
ya throw down(throw down)  
and this they'll say serves me rightly(x2)  
so i'd give o'er plainly, this journians luckless cause  
if I weren't so lucky  
it goes hayfoot with strawfoot ya throw down(throw down)  
and this they'll say serves me rightly(x2)
