

# All About Us

Sonic Syndicate

They say, they don't trust  
You, me, we, us  
So we'll fall if we must  
Cause it's you, me  
And it's all about, it's all about

It's all about us  
It's all about, all about us  
And that's the thing that they can't touch  
It's all about us  
It's all about, all about us  
We'll run away if we must  
'Cause you know

It's all about us (It's all about us)  
It's all about love (It's all about us)  
In you I can trust (It's all about us)  
It's all about us

If they hurt you  
They hurt me too  
So we'll rise up  
Won't stop  
And it's all about, it's all about

It's all about us  
It's all about, all about us  
And that's the thing that they can't touch  
It's all about us  
It's all about, all about us  
We'll run away if we must  
'Cause you know

They don't know, they can't see  
Who we are, Fear is the enemy  
Hold on tight, Hold on to me  
'Cause tonight

It's all about us  
It's all about, all about us  
And that's the thing that they can't touch  
It's all about us  
It's all about, all about us  
We'll run away if we must  
'Cause you know
