

All I want is to lie with you
In the Bluebells beneath the trees
Stay up through the night
Keep warm by your side
Fall asleep beneath the stars

Only wanna be close to you
Cos you're the best thing in my life
Only wanna be close to you
Cos you're the best thing in my life

You're a superman and I'm a one-woman band
But somehow we work it out
Never in the same place at the same time
But that depends on a state of mind
Thinking of you too

Only wanna be close to you
Cos you're the best thing in my life
Only wanna be close to you
Cos you're the best thing in my life
You're the best thing in my life
Yeah yeah yeah yeah yeah yeah

Only wanna be close to you
Cos you're the best thing in my life
Only wanna be close to you
Cos you're the best thing in my life
The best thing baby yeah
In my life
In my life
In my life
In my life yeah
You're the best thing
In my life
You're the best thing
In my life
