

## Die or Surrender

Souldrainer

Consumed by darkness, resurrected from below  
Consumed by darkness, where mortal sins will flow

Far beyond, where no one's ever been  
Way beyond the darkest thought within  
Search in the mind, the labyrinth of sin  
Deep within under the solid skin

Die or surrender  
Succumb to darkness  
Die or surrender  
Awaken the dead

Consumed by darkness, resurrected from below  
Consumed by darkness, where mortal sins will flow

Through the veins, the salty tears  
Boiling blood will burn the mind with fear  
Ascending to a place much higher  
Now it's too late, you will succumb to fire...

Die or surrender  
Succumb to darkness  
Die or surrender  
Awaken the dead

(Awaken the dead)  
(The dead...)
