

# Black Hole Sun

Soundgarden

**Emi Gm/E F Emi**  
1. In my eyes, indisposed - in disguise as no one knows - hides  
**Eb Gadd2**  
the face, lies the snake  
**Dmsus4 Fm6 Emi Gm/E**  
the sun in my disgrace - boiling heat, summer stench -  
**F Emi**  
'neath the black the sky looks dead  
**Eb Gadd2 Dmsus4**  
call my name through the cream - and I'll hear you, scream  
**Fm6**  
again

**Eb D7 G G7 B**  
R: Black hole sun, won't you come - And wash away the rain  
**Eb D7 Cmi**  
Black hole sun, won't you come - Won't you I come  
**D7**  
Won't you come

2. Stuttering, cold and damp - steal the warm wind tired friend  
- times are gone  
for honest men  
and sometimes far too long for snakes - in my shoes a walkin  
g sleep - and my  
youth I pray to keep  
heaven send hell away - no one sings like you anymore

R: Black hole sun...

**Fdimi Cmi B Dmi Cmi B Dmi Cmi B Dmi**  
Won't you come

Hang my head, drown my fear  
till you all just disappear

R: Black hole sun...
