Soundgarden

**E9 D G7 E9 G7 B C** (2x)

**E9**

I must obey the rules

I must be tame and cool

No staring at the clouds

I must stay on the ground

**D**

In clusters of the mice

**G7**

The smoke is our eyes

**E9**

Like babies on display

**G7**

Like angles in a cage

**B**

I must be pure and true

**C**

I must contain my views

**E9**

There must be something else

There must be something good

**D F#**

Far away

**G B**

Far away from here

**D F#**

Far away

**G B**

Far away from here

**D F#**

Far away

**G B**

Far away from here

**D F#**

Far away

**G**

Far away from here

**B**

And I'll be there for good

**E9**

For good

**D**

For good
