

Burden In My Hand

Soundgarden

- A C**
1. Follow me into the desert
G A
As thirsty as you are
A C
Crack a smile and cut your mouth
G A
And drown in alcohol
A C
cause down below the truth is lying
G A
Beneath the riverbed
- A C**
So quench yourself and drink the water
G A
That flows below her head
- C A**
X: Oh no
C A
There she goes
C A C A C C (Ax3)
Out in the sunshine the sun is mine the sun is mine
- A G F C D C A**
R: I shot my love today would you cry for me
A G F C D C A
I lost my head again would you lie for me
A G F C D C A
I left her in the sand just a burden in my hand
A G F C D C A
I lost my head again would you cry for me
2. Close your eyes and bow your head
I need a little sympathy
cause fear is strong and loves for everyone
Who isnt me
So kill your health and kill yourself
And kill everything you love
And if you live you can fall to pieces
And suffer with my ghost
- R: I shot my love today...
- A C**
*: Just a burden in my hand
A F
Just an anchor on my heart
A C D C A
Just a tumor in my head
3. So follow me into the desert
As desperate as you are
the moon is glued to a picture of heaven
And all the little pigs have god

X: Oh no...

R: I shot my love today...

F **C** **D C A**
Would you cry for me
