

I Don't Care About You

Soundgarden

I say
Down on South Street Philadelphia
I'm from Avenue C
I saw fear in his eyes
He was ready to freeze
From the Valley Hotel!

I don't care about you!
I don't care about you!

I see Hollywood Boulevard
Welfare Hotel
I spent the night in jail
At the Wilcox hotel!

I don't care about you!
No way!
I don't care about you!

I've seen an old man have a heart attack in Manhattan
Well, he just died while we just stood there lookin' at him
Ain't he cute?

I don't care about you!
No way!
I don't care about you

I see man rollin' drunks
Bodies the streets
Some man was sleepin' in puke
And a man with no legs crawling down 5th street
Trying to get something to eat!

I don't care about you!
Oh noooooo!
I don't care about you!
No way!
I don't care about you!
Hey! Hey!
I don't care about you!
