

# Tighter And Tighter

Soundgarden

**Em Bm**

**Em**

1. Shadow face

**Bm**

Blowing smoke and talking wind

**Em**

Lost my grip

**Bm**

Fell to far to start again (start again)

**Em**

A sudden snake

**Bm**

Found my shapes and tells the world

**Em**

Remember this

**Bm**

Remember everything is just black

**C**

Or burning sun

**Em D**

And I hope it's a sweet ride

**Em**

R: Sleep tight for me

**C**

Sleep tight for me I'm gone

(2x)

**Em**

2. Warm and sweet

**Bm**

Svinging from a windows ledge

**Em**

Tighter and deep

**Bm**

One last sin before I'm dead (before I'm dead)

**Em**

A sucking holy wind

**Bm**

Will take me from this bed tonight

**Em**

And bloody wits

**Bm**

Another hits me and I have to say goodbye

R: Sleep tight for me... (3x)

**Em D**

\*: And I hope it's a sweet ride

**Em A**

Here for me tonight

**C**

Cause I feel I'm going

**A Em**

Feel I'm slowing down

(Solo)

R: Sleep tight for me... (6x)

\*: And I hope it's a sweet ride...
