

Teardrops from the Moon

Space

Street gang will you let me pass you by? (Will you let me pass
you by?)

Street gang post a letter to my dear old nan (nan nan)
You see the moon staring down like a single tearful eye
And the tear drops falling down over innocent passers by
Tear drop drop drops from the moon

Street gang don't smash my window pane (don't you smash my wind
ow pane)

Street gang don't drive my mum insane (sane sane)

You see the moon staring down like a single tearful eye
And the tear drops falling down over innocent passers by
Tear drop drop drops from the moon

Street gang just wanna catch my bus on time (wanna catch my bus
on time)

Street gang don't kick me till I die (die die)

You see the moon staring down like a single tearful eye
And the tear drops falling down over innocent passers by
Tear drop drop drops from the moon

Tear drop drop drops from the moon [x5]
