Spandau Ballet

Thank you for coming home
I'm sorry that the chairs are all worn
I left them here I could have sworn

These are my salad days Slowly being eaten away Just another play for today Oh, but I'm proud of you But I'm proud of you

There's nothing left to make me feel small Luck has left me standing so tall

Gold

Always believe in your soul You've got the power to know You're indestructible Always believe in

'cause you are gold
I'm glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in

After the rush has gone I hope you find a little more time Remember we were partners in crime

It's only two years ago
The man with the suit and the pace
You know that he was there on the case
Now he's in love with you
He's in love with you

Love is like a high prison wall But you could leave me standing so tall

Gold

Always believe in your soul You've got the power to know You're indestructible Always believe in

'cause you are gold
I'm glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in

Love is like a high prison wall And you could leave me standing so tall

Gold

Always believe in your soul You've got the power to know You're indestructible Always believe in

'cause you are gold
I'm glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in
