

Achoo

Sparks

Who knows what the winds gonna bring when the invalids sing
"La la's" with a powerful sting that'll stop any opera or any B
ing
Sing, spread the news across the land
All winners will be also-rans

Achoo - one size fits everyone
Achoo - one breath, the deed has been done

Grey hair and a dash and a flair give your doctor an air
I'm hurt, but the choice that you made is an obvious one
for a girl who needs care
I do hope that he makes you well
Say, is there any cure for Hell,

Achoo - one size fits everyone
Achoo - one breath, the deed has been done

Sing, Ile de France and everywhere
You can't ignore that sort of air

Achoo - one size fits everyone
Achoo - one breath, the deed has been done

So, open wide, open wide and say, open wide and say goodbye, yo
u'll be OK

Achoo - he's gonna whisk you away
Achoo - he's gonna make you OK
[repeat x4]
