

# Breaking Out of Prison

Sparks

And the walls keep growing higher in your prison  
And the sky is just a distant memory  
And you check your pulse to see if you're still living  
And you know this ain't the way it's supposed to be

Well, you can walk out of here anytime that you want  
You can run out of here anytime that you want

Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
I know you can, I know you can

And you make it sound so hard but I'll tell you something  
You're punishing yourself and that's the truth  
You can walk right out of here, nobody's stopping you  
You can walk right out of here and bust loose

Well, you can walk out of here anytime that you want  
You can run out of here anytime that you want

Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
I know you can, I know you can

And you wish some wild animal would attack you  
(You can walk out of here anytime that you want)  
And leave a few scars here and there for posterity  
(You can run out of here anytime that you want)  
But the wildest thing in your life is a cup of coffee  
(You can walk out of here anytime that you want)  
Well, this ain't the way, the way it has to be

Well, you can walk out of here anytime that you want  
You can run out of here anytime that you want

Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl  
Breaking out of prison, baby, breaking out of prison, girl
