

He'll Come 'Round

Sparks

I just need to think this over.

No problem, Mr. Bergman. I'll show you to the door.
The limousine's waiting downstairs.
[Bergman leaves office.]

I think that went very well.

He'll come 'round
They always do
He'll come 'round
It's nothing new
He'll come 'round
'Cause in the end they all come 'round

He'll come 'round
He'll think a while
Then he'll come 'round
But we'll just smile
He'll come 'round
Knowing that he'll come around

He'll come 'round
He'll play his game
But he'll come 'round
They're all the same
He'll come 'round
I have a hunch that he'll come' round
He'll come 'round
