

Here He Is Now

Sparks

Here he is now
Here he is now
Here he is now

Here he is now
Small talk at first
Here he is now
Speak slow at first
Here he is now
Joke that he needs a tan

Here he is now
Watch what is said
Here he is now
He is well read
Here he is now
Praise both the work and the man

Here he is now
We'll be polite
Here he is now
Firm but polite
Here he is now
Just feel things out and go from there
