

Rock 'n' Roll People in a Disco World

Sparks

Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
They sing hard day's night, they're as high as kites
And they sing and play and carry on like
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
They make L. P. records and a few make comebacks
And the rest sell shoes to all the other
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
We're rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
Rock 'n' roll people in a disco world
