

There's No Such Thing as Aliens

Sparks

No, no, no, no
No, no, no, no
There's no such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No, no, no, no

Look out the door,
Look out the window every night
Look out the door
Look out the window every night

There's no such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No, no, no, no

There's no such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No, no, no, no

Look at your watch, look at your TV in despair
Look at your watch, look at your TV, it's not fair

Look out the door
Look out the window every night
There's no such thing as aliens, there is no such thing
No such thing as aliens, there is no such thing
No such thing as aliens, there is no such thing

There's no such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No, no, no, no

There's no such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens
No such thing as aliens, no such thing as aliens

No, no, no, no
No, no, no, no, no, no, no, no, no
