

Why Do You Take That Tone With Me?

Sparks

Who do you think you are
Why do you take that tone with me
Why do you take that tone with me

Here I am the star
I've never been treated this shamefully
(So) Why do you take that tone with me

Arthouse résumé
Why do you take that tone with me
Why do you take that tone with me

Save it for some Swede
Never employ that tone with me
Never employ that tone with me

Why should I have to share
A crisis that you feel inside
An anger that's an ocean wide

Such a lack of flair
I've never been treated this shamefully
Why do you take that tone with me
Why do you take that tone with me

Who do you think you are
Why do you take that tone with me
Why do you take that tone with me

Somewhere you're the star
(But) never when you are near to me
Why do you take that tone with me
I've never been treated this shamefully
(So) why do you take that tone with me

You never again will work with me
Why do you take that tone with me
So, why do you take that tone with me
