

Yeah O Yeah

Spiderbait

Yeah o yeah
I really wanna curl my hair
I thought I had a lot to say
But I think I wanna waste away

Don't pretend
You all wanna have a new friend
You're okay
But you always get your own way

Hear you say
I really wanna say what I'm thinking
See them play
But I never heard a word they say
I never heard a word they say
I never heard a word they say
I never heard a word they say

Hey okay
I wouldn't say it if I didn't mean it
Yeah
O yeah
O yeah

Yeah o yeah
Yeah o yeah
Yeah o yeah
