**D G**  
If I could go  
**D G**  
Yes, yes go out and take  
**A**  
Mary Jane to the picture show  
**D G**  
But uncle bob sighed  
**D G**  
He could not answer  
**D G**  
He dies one second before  
**A**  
In the arms of a go-go dancer

R: Mary Jane...

**A G**  
\*: I wanna roll you  
**C**  
way down in the fields  
**D**  
where you were born  
**A G**  
I wanna roll you  
**C D**  
When I'm ragged  
**D**  
And forlorn

R: Mary Jane...

You have no friend  
You have no pet  
If there's anything better than you  
You know I haven't found it yet

R: Mary Jane...
