

Oh Baby

Spiritualized

Darling, Heavens just a heart beat away.
Baby, Please don't let anyone stand in your way.

Darling, We only get a life time to choose.
Baby, You can do anything that you wanna do.

And Darling, We only get a life time to try.
Baby, Please don't chances like this pass you by.

And Baby, I can't tell you anymore then I know.
So Darling, Reach out and take it all in as you go.
