

I Hope I Never

Split Enz

I fall apart when you're around
When you're here, I'm nowhere
I can't pretend that I'm not down
I show it, I know it

I've been a fool
More than once, more than twice
I'm gonna move to a new town
Where the people are nice

I hope I never
I hope I never have to sigh again
I hope I never
I hope I never have to cry again

I still want to beam and smile
Happiness is back in style
I hope I never
I hope I never have to see you again
Again

It should be possible I know
To see you without stress
But I can see I'll have to go
I'm changing my address

My urge to cry
I have failed to conceal
Life, it's no fun when your hunted
By the things that you feel

I hope I never
I hope I never have to cry again
I hope I never
I hope I never have to sigh again

I'm for living while you can
I'm an optimistic man
I hope I never
I hope I never have to see you again
Again

I hope I never
I hope I never
I hope I never
Never, never, never

I hope I never
I hope I never have to see you again
