

The Whores Are Closing In

Sponge

The Whores are Closing In
And they're ain't enough to drink tonight
The Whores are Closing In
Did we meet in Mexico

The Whores are Closing In
And their waitin' on their knees right now
The Whores are Closing In
Let's lean against the bar

Hooray, Hooray, Hooray, Hooray

I'm ready, I've got lust for life
I'm ready, for a fight tonight
I'm ready, but I might just walk away

I'm ready, I could a damn
I'm ready, I've got no real plans
I'm ready, but I might just walk away

The Whores are Closing In
You can hang out if you want tonight
The Whores are Closing In
Like nineteen ninety-four

The Whores are Closing In
Don't worry it ain't nothin' new
The Whores are Closing In
I Need a bump to get me through

Hooray, Hooray, Hooray, Hooray

I'm ready, I've got lust for life

I'm ready, for a fight tonight
I'm ready, but I might just walk away

I'm ready, I've got no real plans
I'm ready, I could a damn
I'm ready, but I might just walk away

Hooray, Hooray, Hooray, Hooray

The Whores are Closing In
There's money we will burn tonight
The Whores are Closing In
There's enough to go around

The Whores are Closing In
Like a dope house in Detroit
The Whores are Closing In
Here's the key to my room

Hooray, Hooray, Hooray, Hooray

I'm ready, I've got lust for life
I'm ready, for a fight tonight

I'm ready, but I might just walk away

I'm ready, I could a damn

I'm ready, I've got no real plan

I'm ready, but I might just walk away

Well I'm ready, but I might just walk away

Well I'm ready, but I might just
