

## Violent Mood Swings

Stabbing Westward

You've left me with nothing left but questions  
You left me here not knowing who I am  
You've left me so much fucking time to hate you  
You left me with no choice but to die  
Violent mood swings

Your voice whispers nearly all the time now  
Reminding me just how worthless I am  
Sometimes I just hear you laugh forever  
I want you the fuck out of my head

Violent mood swings

You're inside my pain inside my sorrow  
I die for one last moment inside you  
I miss you so fucking bad I am you  
Whose god will fucking save me now

Violent mood swings
