I Didn't Mean to Stay All Night

Starship

My love is drifting in a sweet dream
And my heart is beatin' like a drum
And my words don't make a sound
And I'm dancin', but my feet ain't on the ground

I am flyin', forever within your arms
I'm flyin', forever within your heart
I am flyin'
I didn't mean to stay all night, oh no
But, baby, you hold so tight
I didn't mean to turn you loose, oh no
But, baby, you won't refuse
I didn't mean to turn you on, oh no
It's heaven, it can't be wrong
I didn't mean to stay all night

My thoughts are runnin' in a race
And my mind is slippin' into space
'Cause your world is all around
So I'm dancing, but my feet ain't on the ground

I am flyin', forever within your arms
I'm flyin', forever within your heart
I am flyin'
I didn't mean to stay all night, oh no
But, baby, you hold so tight
I didn't mean to turn you loose, oh no
But, baby, you won't refuse
I didn't mean to turn you on, oh no
It's heaven, it can't be wrong

I am flyin', forever within your arms
I'm flyin', forever within your heart

I didn't mean
I didn't mean to make you stay
But, baby, you got your way
I didn't mean
I didn't mean to fool around
But, baby, you held me down

I didn't mean to stay all night
I didn't mean
I didn't mean to make you stay, oh no
I didn't mean to let you get your way
I didn't mean
I didn't mean to fool around, oh no
I didn't mean to let you hold me down
I didn't mean to turn you on, baby, oh no
To make you fall in love
I didn't mean
I didn't mean to turn you loose, honey, oh no
But you just can't refuse
And I didn't mean
I didn't mean to stay all night, oh no
But you won't let go
I didn't mean

```
I didn't mean to make you stay, oh no
I didn't mean to let you get your way
I didn't mean
I didn't mean to fool around, oh no
```

```
I didn't mean to make you stay, oh no
I didn't mean to let you get your way
I didn't mean
I didn't mean to fool around, oh no
```
