

Arsenic & Clover

State Radio

Thou shall not
Thou shall not want
Thou shalt not
Thou shalt not want
Any or all that you feed so kindly

Thou shalt not
Thou shalt not break
Thou shalt not break
Any or all that you feed so slowly

But in the morn' there's a holy dove
And it comes ripping through the trees
You're the one I love
But I'll kill all that I see

I just want my arsenic and clover
No matter what the heathens say
I just want arsenic and

Thou shalt not
Thou shalt not fear
Thou shalt not
Thou shalt not fear
Any or all that you see so kindly

But in the morn' there's a holy love
And it comes ripping through the trees
You're the one I love
But I'll kill all that I see

I just want my arsenic and clover
No matter what the heathens say
I just want arsenic and

I just want my arsenic and clover
No matter what the heathens say
I just want arsenic and

I just want my arsenic and clover
No matter what the heathens say
I just want arsenic and
