

## Anything But This

Static-X

Try, go anything but this  
I've got to anything but this world  
Try, go theres more to it  
Options low theres more to this world

Give me anything but this  
Give me the strength to live through it  
Give me anything but this  
Give me the strength to live through it

Anything... Anything but this.. This world  
Anything... Anything but this.. This world

Try, go anything but this  
I've got to anything but this world  
Try, go theres more to it  
Options low theres more to this world

Anything... Anything but this... This world
