

Chemical Logic

Static-X

Discover disaster
Dismantled destroyer
Disorted drum fire
Aborted short wire

Ch-Chainsaw k-killer
It's over the shoulder
Your sorrow tomorrow
Behavior your savior

Illogical choir
We die young desire
You slither you wither
The terror your error

Pig hammer the static
The bats in the attack
Chemical l-logic
Chemical l-logic

Freak out
Head on
I play the part
Tomorrow
You're gone
I live on the limit

Freak on the sonic
Beat on the chronic
Melt down some of this
Chemical tonic

Convulsion iridium
Tactical repulsion
Revision
Break it down

Crush down the pedal
Rush on the metal
Extract some of that
Deafening noise blast

Crank on the heavy
Main switch dirt witch
