

# No Submission

Static-X

Shut out  
Cut out  
Bloodless  
Hopeless  
Hating as I fade  
Pulsate  
Pushing  
Head exploding  
Razor sharp the tongue is

Put down  
Run out  
I could care less  
Throw down as I hate  
Feeding  
Needing  
Severed bleeding  
Pull it out exposing

Take a beating  
Needle speeding  
Fall into a daze  
Defecation  
Detonation  
Tear the tongue apart and

Terminate it  
Suffocate it  
Spitting in your face  
Accelerate  
Exterminate it  
Take it all in hand  
There's no submission

No submission  
Blue turns to white
