

Permanence

Static-X

Everything is as cold as ice
Everything is as dead as life
Take another as screaming eyes
Take another as curled up cries of

Shallow
Hating
Vision
Fading

Shadow
Fading
Inundating

Permanence it's
Permanence it's
Permanence it's
Permanence it's gone

Scarred and scared you crawl across
Everything is as no one thought and
Echoes cover your spirit size
Echoes ring on your sweating cries of

Sacred rituals I comply
Cold and curdled are my insides but
Everything is as this surprise
Everything is as curled up cries of
