

## Stingwray

Static-X

Bull dozer crush  
Cover the rush  
Catatonic nonsense  
Hammering down  
Balance you found  
Forever we're fucking  
I love this machine  
Elevate rising higher  
It never stops  
Still growing hot  
Shadow of myself say

Rhythm  
My way  
Stingwray  
Forcing  
Moving  
Motion  
Sideways  
Take me home

Pull over push  
Forcing the rush  
Keep on moving faster  
Wearing me down  
Breaking the sound  
Finely tune the caster  
Burning gasoline  
Spark will set it on fire  
Reaching the top  
Still growing hot  
Shadow of myself say

Rhythm (breaking)  
My way (crushing)  
Stingwray (rising)  
Forcing
