

Almost But Not Quite There

Status Quo

I want to have you here with me
To cuddle up so near to me
And do the things
You like me to do to you

You like it when I tickle you
We start to kiss, it pleases you
It gets so hot
I just don't know what to do

To take you
When you're feeling good
To love you like I know I should
It makes me feel all are ten feet tall

So I just try to give to you
All that I can to satisfy you
I don't like to leave you girl
Almost but not quite there

So I just try to give to you
All that I can to satisfy you
I don't like to leave you girl
Almost but not quite there

Now when I finally get to you
I'm gonna put my love to you
And then I'll see
Just how good you are

So I've got to have you here with me
To cuddle up so near to me
And do the things
You like me to do to you

'Cause I just try to give to you
All that I can to satisfy you
I don't like to leave you girl
Almost but not quite there.
