

# My Little Heartbreaker

Status Quo

What's been happening in your world again  
While I've been gone?  
Are you wandering, or in love again?  
No no no, it can't be so  
Is your wandering happening?

I've been thinking 'bout ya  
My little heartbreaker  
I feel lost without ya  
My little heartbreaker  
Maybe, baby  
I should live without ya  
My little heartbreaker  
Take a listen to what I'm telling ya  
You know it's true  
You're the kind of girl I've been looking for

Take a look again, does it matter when  
It's Babylon  
Can we carry on, make it big and strong  
No no no, can't say no  
So let's carry on, take it on

I've been thinking 'bout ya  
My little heartbreaker  
I feel lost without ya  
My little heartbreaker  
Maybe, baby  
I should live without ya  
My little heartbreaker  
Take a listen to what I'm telling ya  
You know it's true  
You're the kind of girl I've been looking for

I've been thinking 'bout ya  
My little heartbreaker  
I feel lost without ya  
My little heartbreaker  
Maybe, baby  
I should live without ya  
My little heartbreaker  
Take a listen to what I'm telling ya  
You know it's true  
You're the kind of girl I've been looking for
