

# Not Tonight

Steel Magnolia

If I were stronger I'd just let you leave  
You'd say it's over and I would just agree  
Then I'd tell you I wish you the best, I really do  
You deserve happiness, I can't give you what you need  
You can leave, just not tonight

I'm not ready to lay this down  
I'm too stubborn to quit you now  
There's a voice somewhere deep inside of my mind  
Saying it's too soon to let you go tonight  
I'm in no hurry to hear goodbye  
Why can't it wait till the morning light?  
We can come undone some other time  
Just not tonight

Before the stars go out, before we disappear  
Let me hold you now, rest your head, right here  
But I can't live without you to make your love come back  
What can I say to make you stop  
Here in your tracks, I know you're staring at the wrong way, as tonight

I'm not ready to lay this down  
I'm too stubborn to quit you now  
There's a voice somewhere deep inside of my mind  
Saying it's too soon to let you go tonight  
I'm in no hurry to hear goodbye  
Why can't it wait till the morning light?  
We can come undone some other time  
Just not tonight

Not tonight

I'm not ready to lay this down  
I'm too stubborn to quit you now  
There's a voice somewhere deep inside of my mind  
Saying it's too soon to let you go tonight  
I'm in no hurry to hear goodbye  
Why can't it wait till the morning light?  
We can come undone some other time  
Just not tonight

Not tonight  
Just not tonight

If I were stronger I'd just let you leave  
You'd say it's over and I would just agree
