Steel Prophet

He is calling my name  
He looks for believers with souls  
That want to be free  
Giving His life for thee

Can't you see he is the light  
His name is a mystery beware!

It shows you the ways  
Afraid of the clouds and the tears  
And the sky's turning red  
Giving His life for thee

Can't you see he is the dark  
His life is yours to keep  
In his world there is no time  
There are only wonderful beings  
But beware!

It's a mystery, it's a mystery

Mystery, I gave you all my being  
Mystery, how can I show you the way  
Mystery, there is only one  
Only for you to be
