## **Higher Than High**

## **Steel Pulse**

0 father Take me where I can sing unto you O when the battle is done Take me higher then high My sword she's heavy My heart is worn Sing sing O David Sing me your song Harmony cry cry And now we reach The river is rolling And now we seize the time Sun it's so high I see I hear Rolling rolling rolling Strings Were playing in my head And now I know Just what to do I close my eyes Till the morning comes Hey hey hey hey.
