Love This Reggae Music

Reggae music is my favourite feeling It keeps me rocking to and fro And anytime I get that feeling I want the whole wide world to know I know we paid the price But when you feel the vibes You won't think twice Cause I know we can make it This music is love so come and take it This happy feeling Is a gift from God I know Hear the sound and let it flow Rock to the beat Hold the groove and don't let it go Cause no matter what happens We've got to stay alive CHORUS Love this Reggae music Sweet as anything I know Love this Reggae music Never ever let me go Love this roots rock feeling Sweet as anything I know Love this roots rock feeling Never ever let me go So check out this vibration 'cause it's such a sweet sensation It gives me inspiration And it don't need no contemplation oh Ooh yeah Oh This happy feeling Is a gift from God I know Hear the sound and let it flow Rock to the beat Hold the groove and don't let it go Cause no matter what happens We've got to stay alive Love this Reggae music Sweet as anything I know Love this Reggae music Never ever let me go Love this root rock feeling Sweet as anything I know Love this roots rock feeling Never ever let me go Be positive in what you do And anything you earn will come to you Don't let the pressure make you wanna quit Just hold your ground and you will conquer it Yes you will. CHORUS Love this Reggae music Sweet as anything I know
