

Sparkle U Shine

Stephen Bishop

baby let me talk to you
there's so much that I want to say
he don't love you like I do
he's gonna hurt you someday

my love is real
one to be sure of

but oh like the sun
You Sparkle you Shine
second to none
You Sparkle you Shine

there's a dark moon out tonite
he's gonna kiss and hold you tight.. I know it..I know it
don't you know your heart's at stake girl
it's not too late to tell him goodbye

you hide your pain
each time you're near me

you're more than beautiful to me..

U Sparkle u shine
