

It's Alright

Stephen Marley

I've been a stranger to myself
I've felt alone like no one else
I've seen the good suffer long
I've felt the power of love
I've made a way out, flew where to go
And what's it all for? I don't know
But it must be said, just so you know

That it's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah
I said it's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah
The sun rises and rises and rise s
It'll rise again

I've caught a glimpse of her, beautiful
I've come to learn pain teaches more than hurt
Some come to the end of the world
Just to wake up and be reborn

I've seen the weak overcome the strong
And what's it all for? Only Jah knows
But no matter how this life unfolds yeah

It's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah
I said it's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah

If I keep telling myself that it will be alright
Maybe I could get some sleep tonight
The sun rises and rises and rises
It'll rise again

It's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah
I said it's alright, it's alright, it's alright
Yeah yeah yeah yeah yeah
