Stereophonics

E **A**
Thinking about thinking of you.
Summertime think it was June

E
Yeah think it was June.

A
Laying back, head on the grass.
Children grown having some laughs

E
Yeah having some laughs.

C#m **A**
You made me feel like the one
C#m **E**
You made me feel like the one
The one

C#m **A**
You made me feel like the one
C#m **E**
You made me feel like the one
The one

E **A**
Drinking back, drinking for two
Drinking with you

E
And drinking was new

A
Sleeping in the back of my car
We never went far

E
Don't need to go far

C#m **A** **E**
I don't know where we are going now

C#m **A** **E**
I don't know where we are going now

E **A**
Wake up cold coffee and juice
Remembering you

E
What happened to you?

E **A**
I wonder if we'll meet again
Talk about us instead

E
Talk about why did it end

C#m **A** **E**
I don't know where we are going now

C#m **A** **E**
I don't know where we are going now

E **A**
So take a look at me now ...

C#m **A**

Made me feel like the one

C#m E

Made me feel like the one

The one

C#m A

Made me feel like the one

C#m E

Made me feel like the one

The one

E A

Drinking back, drinking for two

Drinking with you

E

And drinking was new

A

Sleeping in the back of my car

We never went far

E

No need to go far

C#m A E

I don't know where we are going now

C#m A E

I don't know where we are going now
